**PAINTING &  
PAPERHANGING, INC.**

Now That You Are Ready to Add a Little Color... Get Some Complimentary Guidance from an ASID Certified Interior Designer and Color Consultant For every interior project of two rooms or more we will provide you with the services of a professional interior designer – a **\$200** dollar value for this one-hour consultation.

- Eliminates one of the biggest challenges many homeowners face... "What colors would look great in this room?"
- Expert guidance from a trained professional.
- Brainstorm ideas.
- Creation of custom colors to perfectly match your tastes.
- We know what looks good and will work together.

Almost all painting contractors only use the color matching provided by local paint stores – they may or may not have the proper training in custom color matching.

Offer valid through **4/30/17** on any interior project of 2 or more rooms with a signed contract
